Adequate Yearly Progress (AYP) Results

North Carolina has set target goals that schools must meet to make Adequate Yearly Progress (AYP) under the federal No Child Left Behind act.

Our school did not make adequate yearly progress.
 Our school met 12 out of 13 AYP targets.

In any group where the percentage of students at a grade level is greater than 95% or less than 5%, the actual values may not be displayed because of federal privacy regulations. In these cases the results will be shown as >95% or <5% for the group.
